

For those who don't read Danish

Your name on the intercom

Are you owner of the flat you have the right to a name sign on the intercom on the outside of the house.

If you have rented the flat, you have to pay yourself (165 dkr) or accept the owners name on the name sign.

Labels on the door phone intercom is not accepted – and BTW very hard to remove without damaging the front plate.

Do you want to order a name plate please give me at note and the 165 dkr.

You may also send me a mail: carsten@krogsten.com and subsequently transfer the 165 dkr to account 1551-8831807. Account holder is me and bank is BG Bank.

Name signs have to be prepaid due to bad experienses. Sorry.
